

# UN Women Hotline Webex API

- This API is developed to be an alternative way to reach UN Women Hotline over Webex.
- We can **Report a Violence** or get info to **Better Recognise and Define Violence Around Us**. Info part can be further increased with research.

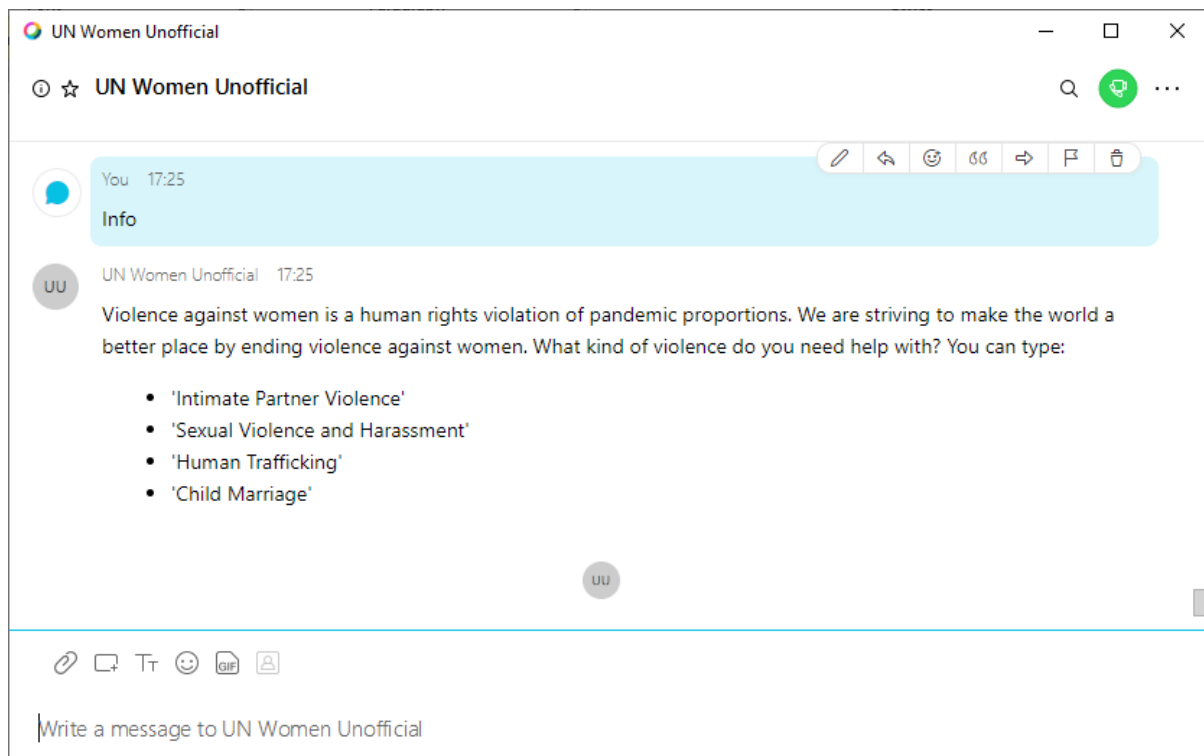

1)Initiate conversation.

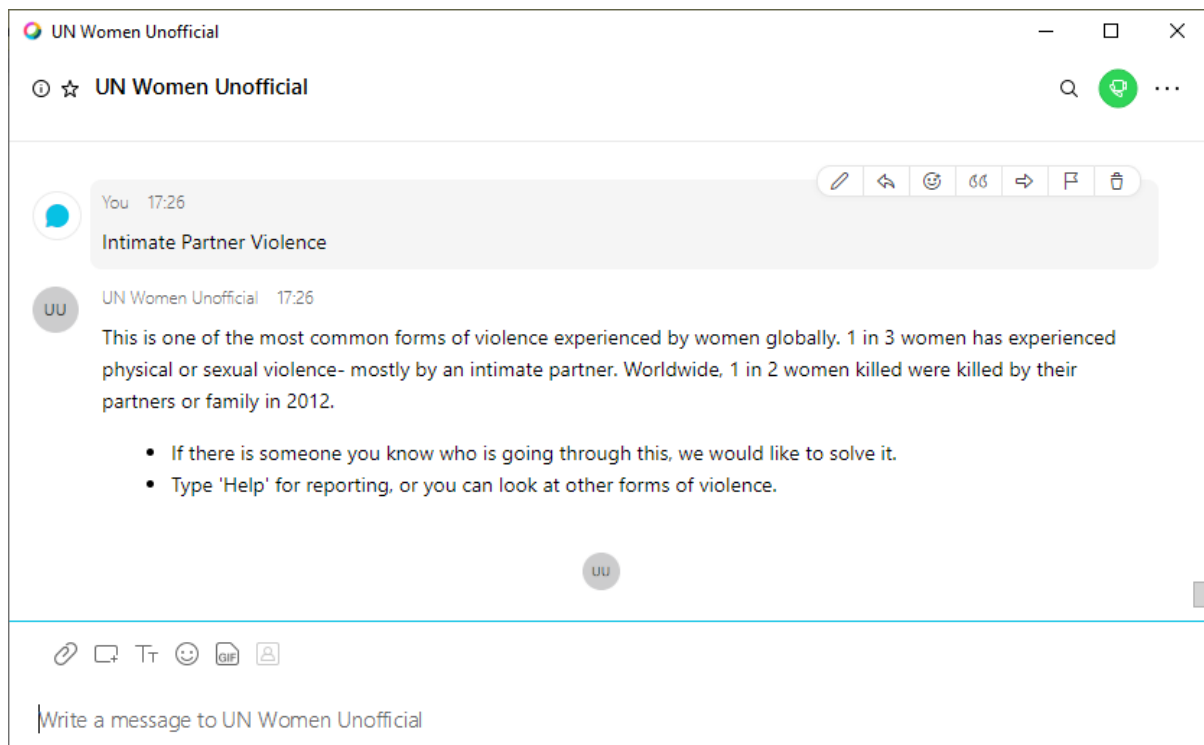

2)Report Violence

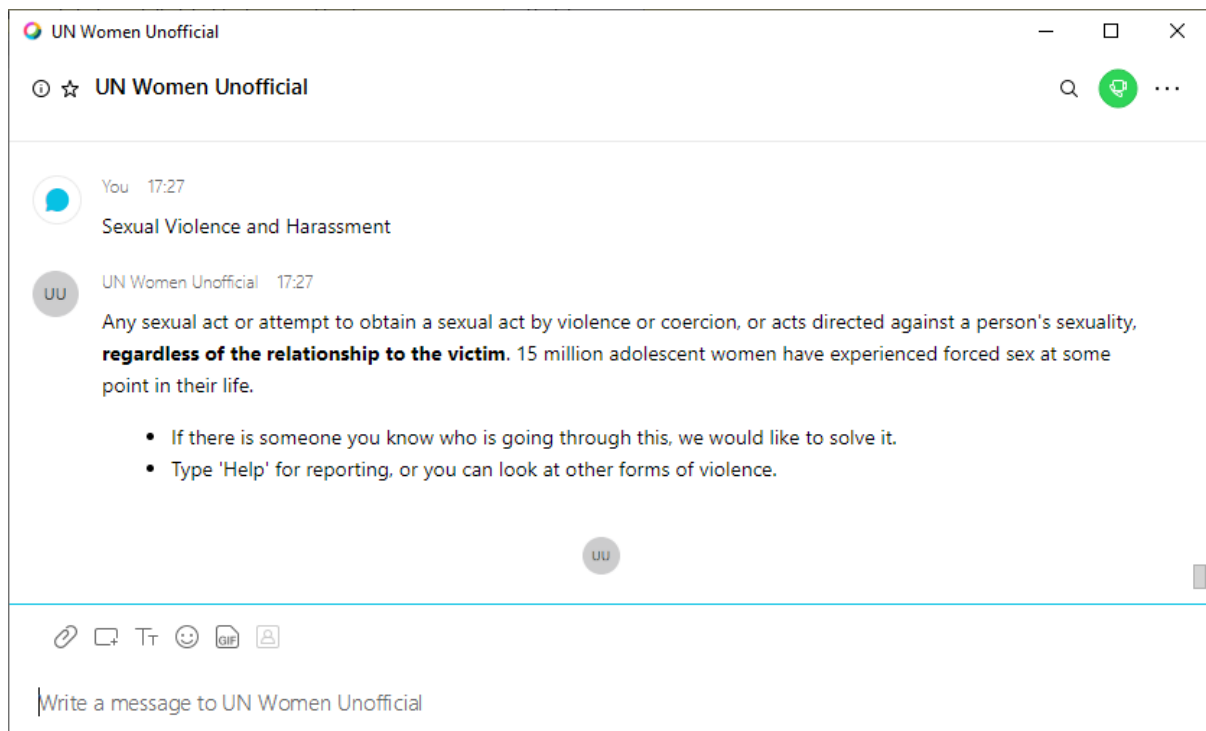

### 3)Information Menu

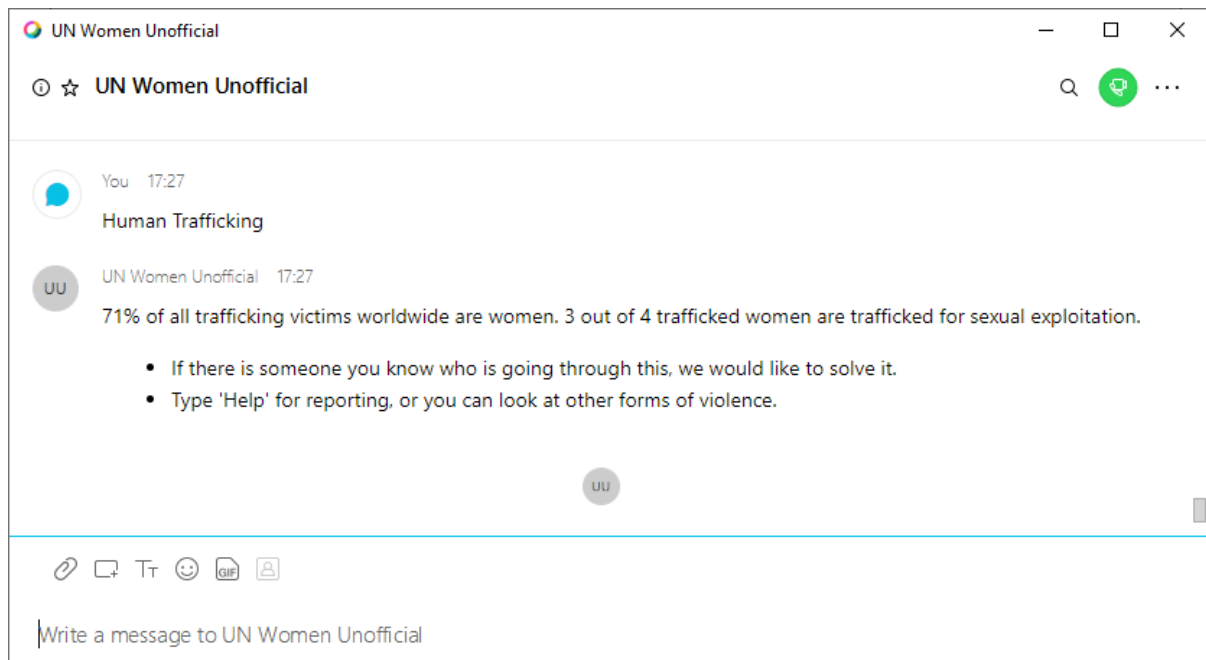

### 4)Intimate Partner Violence

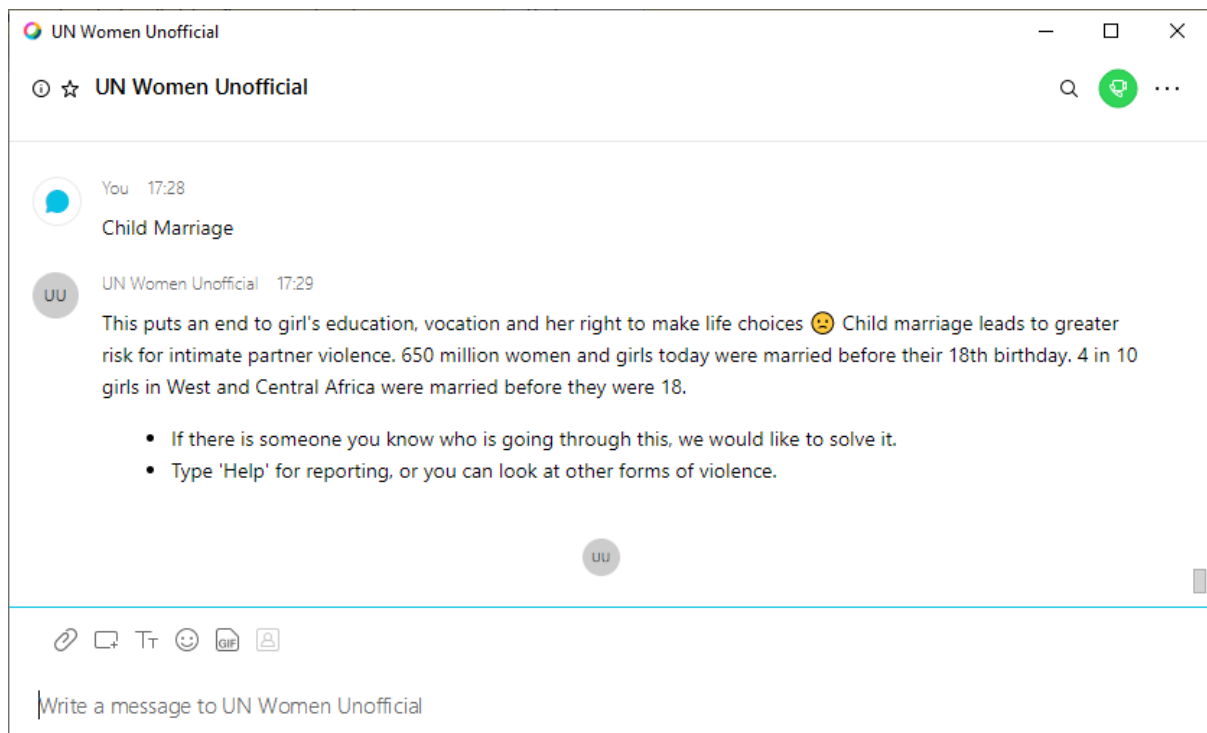

## 5) Sexual Violence and Harassment

## 6) Human Trafficking
